Lawrence, Kansas.

Dear Dave:

I am very sorry that I was unable to be at the Rotary Club meeting last Monday and hear your discussion of the situation in the Philippines. I have heard such fine reports of the meeting, and I am sure the members were exceptionally glad to hear "first hand" information from you men who have been there.

We greatly appreciate your kindly cooperation.

With kindest personal regards, I am

Very sincerely yours,

Chairman, Program Committee,
Lawrence Rotary Club.
