Professor Bert Nash,  
School of Education.

Dear Dr. Nash:

We have heard such fine things about your talk on the reorganization of the state plan for taking care of delinquent children, and I am wondering if you would consent to present it to the Lawrence Rotary Club in the early spring.

Mrs. Allen heard you speak before the League of Women Voters and she was tremendously impressed. John Stutz has also spoken to me about it.

We would be very happy if one of the following dates would be convenient for you:

March 2  
April 6  
April 20

*- accepted by phone*

I shall appreciate hearing from you at an early date.

Very sincerely yours,
