Col. J. S. Dusenbury,
Department of Military Science,
University of Kansas.

Dear Colonel Dusenbury:

I was unable to reach you by telephone yesterday - hence this note to ask if you will be responsible for the Rotary Club program on next Monday, January 19.

You will recall that I talked to you previously about using Sergeant Kollender and Mr. Dave Horkmans, discussing some phase of the Philippine situation.

I am sure that you three gentlemen will present a very interesting and informative discussion to the members of Rotary. We are counting on you.

Sincerely yours,

FCA:AH

Chairman, Program Committee,
Lawrence Rotary Club.
