

January 13, 1942.

Mr. Justin Hill,
Lawrence Paper Mill,
Lawrence, Kansas.

Dear Jus:

I am sending you my file of correspondence
with Mr. Arthur L. Ross.

On November 21 I sent a copy of Mr. Ross's
first letter to President John Andrews, and he thinks
he sent it on to you. That is why you got nothing
from this office. But I am sending you all I have on
a possible date with Mr. Ross, so it won't be necessary
for you to come up to my office, although we are always
happy to see you.

Rotarily yours,

FCA:AH

Chairman, Program Committee,
Lawrence Rotary Club.
