

Dr. Allen

John Andrews called and left word that there will be a Rotary Club assembly at 11 o'clock Monday morning in Room C of the Hotel Eldridge. At that time the club officers will make a report to Governor Scotty of last quarter's activities and a give a pre-view of next quarter's plans. You are to give a report of the work of the program committee. He would like it typewritten and would like a duplicate copy for himself. --One copy for Gov. Scotty and one for Mr. Andrews--. He' like them on letter-head stationary.
