Col. Wm. C. Washington,
Commandant, R.O.T.C.,
University of Kansas.

Dear Colonel Washington:

I am enclosing a schedule of the time the showers will be available next week for the A-12 boys. You will notice that we have indicated 20-minute periods during the time our students are in class.

The load here is especially heavy at 10:30, but if your boys come at 11:40 the rush will be over. We have also indicated hours on Saturday and Sunday afternoons when the showers are available.

I will appreciate it if you will let us know as soon as possible the hours you desire to have your boys come to the gym. They, of course, are to furnish their own towels at all times. The lockers on the south side will be available for their clothes.

Assuring you of our desire to cooperate with you, I am

Sincerely yours,
