Dear Doc:

Here are the statistics on our final home
game:

1. Taking the ball across the division line after a
field goal -- 21 attempts, total time 123 seconds,
average 5.7 seconds, per try.
2. Number of held balls: End circle - 6, center circle -
2, end circle - 14. Total -- 22.
3. Baskets scored from held ball -- 1.

We "fit" the Sooners right down the stretch
but couldn't make it. You must have had a tough one
with Nebraska. I am glad you won it.

Sincerely,

L. E. Menze
Basketball Coach
