Professor G. J. Hood, School of Engineering, University of Kansas.

Dear Professor Hoods

I am enclosing herewith the list of basketball players and their grades, for your information.

I very much enjoyed our visit this morning and hope that we may get together quite often.

Wory sincerely yours,

Dean Frank T. Stockton School of Business University of Kansas

Dear Dean Stockton:

for a list of our varsity basket ball men as to their eligibility, etc.

a total record of 3 hours of failure for the two preceding semesters and while our grades of A, B and C ranked relatively high, we did show the 3 hours of failure.

an even better record than thay did last year in that they show no hours of failure. The record of the squad will show

Total Hours

11 A 11	"B"	"C"	"D"	"Failure"
108	242	463	89	0

with a grade point average of 1.41.

J thought you might want this for your own record as well as to show what a fine record some of your boys from the School of Business are making. I know that you are especially proud of Sylvester Schmidt as we are. He is a grand chap.

With every good wish, I am Sincerely yours,

Director of Physical Education

September 28, 1938.

Dear Fellows:

The first official call for assembly and conference of the Kansas Basketball Squad is next Monday evening, October 3, at 7:30 p.m. in room 206 Robinson Gymnasium.

This is the plan for the boys who work in the afternoon or who are engrossed in intramural football play, we will meet in the evening three times a week, preferably Monday, Tuesday and Thursday. For the boys who are free to practice in the afternoon we will meet at 3:30 p.m. on Monday, Tuesday and Thursday afternoon. If for any reason it is necessary to change these dates will will discuss that at our conference.

We are insisting that every boy have a physical examination at the University hospital. This will be necessary before scrimmage can take place. I have just talked with Dr. R. I. Canuteson, Director of Student Health Service, and he very kindly stated that he would take you fellows from 9:30 on in the mornings. It will be necessary for each one of you to get in touch with the student hospital to make your appointments. Perhaps if your schedule is full for the morning Dr. Canuteson can arrange to take you at some other period, at his convenience. But remember — it is necessary for you to clear that health examination hurdle before you can report actively for basketball.

The meeting on Monday night will be brief. It will be merely a discussional meeting so that we may all understand each other. And in that connection I might parenthetically add a friendly warning. You will recall one of our many daily admonitions on the athletic bulletin board down in the dressing room. It ran something like this: "You cannot fly with the owls at night and keep up with the eagles in the day time."

Already there has been some misconception on the part of our squad men this fall. I am not speaking about the sophomores coming up. I am speaking of some of the older men on the squad. I know some of you older fellows think that you can drink and get away with it, but it won't do this year. Remember, I am not taking you off the squad, but you are actually taking yourself off. Some of you fellows have spoken to me that you are in dead earnest a bout making a great showing this year, and then when the season barely starts you put on a party. Just remember that Lawrence has a population of only 16,000. Even the world is small nowadays, isn't it, boys?

Assuring you that I am decidedly partial to boys who train and want to go places, I am, with no malice toward any of you but with a firm resolve to play the men who want to play the most, Sincerely, Your Coach

Dear Dr. Canuteson:

I am enclosing a copy of the letter I am sending to the Varsity Basketball Squad, in which I mention that the physical examination must be made before the boys report actively for basketball. We greatly appreciate your kindly cooperation in this service.

Very sincerely yours,

Director of Physical Education, Varsity Basketball Coach

The Jayhawk Coach

Dr. Forrest C. Allen

Twenty-two conference championships in 28 years of coaching is the record of Dr. Forrest C. Allen, basketball coach at the University of Kansas. He is the dean of basketball coaches in the United States, having been in the coaching game since 1908.

Dr. Allen played his high school basketball at Independence, Mo. and it was there that he first met Dr. James Naismith, inventor of

the game of basketball, and coach at Kansas then.

In 1904 Dr. Allen entered the University of Kansas. During his college career, he lettered in basketball in 1905, 1906 and 1907 and in baseball in 1906 and 1907.

The following year, 1908, saw Dr. Allen off to a successful start as a coach, with a championship basketball team at K.U. His second Jayhawk team made even a better record in winning another championship the next year, marking up ten conference victories to two defeats.

The same season, Dr. Allen was coaching the Haskell Indian "National Aboriginal" team which won 19 of 24 games and the cage team

of Baker University, 20 miles away.

This concluded Dr. Allen's coaching efforts for three years, while he pursued the study of medicine. In 1912 he became coach of all sports at Missouri State Teachers College at Warrensburg and his service as a coach has been continuous from that date.

In his first year at Warrensburg, Dr. Allen's football, basketball and baseball teams were undefeated and the basketball team started a series of championships which was unbroken during his seven years there.

In the fall of 1919 he became director of athletics at the University of Kansas, and before the basketball season was over was coaching that sport. Missouri was dominant in basketball at that time, but by 1922 the youthful Jayhawk mentor had brought Kansas up to a tie with the Tigers, each team losing a single game of the 16-game conference schedule.

The remaining six seasons of the old Missouri Valley conference yielded Kansas five championships, the one on 1923 without a defeat. This season was notable, also, as being in the midst of a winning streak of 34 consecutive conference games, ended, finally by Oklahoma, which in 1928 moved in championship position.

Oklahoma carried over its winning ways into the Big Six conference and held the leadership in 1929; Missouri won the next year; then Kansas, under Dr. Allen, swept the next four years. The 1935 championship went to Iowa State, coached by Louis Menze, a pupil of Dr.

Allen's at Warrensburg.

In 1936 the Jayhawks blazed through their regular schedule without defeat, winning eighteen consecutive games. In the regional Olympic tryouts Kansas defeated Washburn and Oklahoma A. & M. to qualify for the semi-final eliminations.

In that series of games the Jayhawks played Utah State and won the first game, but at a great cost. Francis Kappelman, all-conference guard, suffered a deep cut across his knee, when he ran into a wire supporting one of the goals and was lost to the team. Without him Kansas could not keep pace with the sensationally shooting Utah State.

In 1937 Kansas and Nebraska tied for the championship and

last year the Jayhawks were undisputed champions.

Personal Sketches University of Kansas Basketball 1938-1939

ALLEN, ROBERT- center or guard- 19 -home, Lawrence; graduate of Lawrence high school, 1937; coached by Edd Wood. One of the stars of last year's outstanding freshman team. Youngest son of Coach Forrest C. Allen. Has been playing basketball ever since his kindergarten days. A remarkable ball handler and all-around player. Likely to hold down the "quarter-back" position which his brother Milton played in 1935 and 1936. Can play any position, forward, center or guard, however.

CORLIS, LYMAN- guard- 21 -home, Lawrence; graduate of Topeka high school, 1935; coached by "Buck" Weaver. A two letter man at forward, he has been shifted to guard to fill the vacancy left by the graduation of Fred Pralle, Kansas' all-American guard. Is showing up even better at guard than he did at forward. A real scoring guard and a fine rebounder on defense. In the starting lineup a number of times last year.

DURAND, FENLON- guard- 20 -home, Junction City; graduate of Junction City high school, 1935; played under Coach Henry Shenk, highly successful former Lawrence high school and K.U. star. Durand has lettered the past two years in basketball and track. Tall and well built.

EBLING, DONALD- forward or center- 20 -home, Lindsborg; graduate of Lindsborg high school, 1936; prepped by Coach O.C. Ostenberg. Brother of Ray Ebling, Kansas' all-American forward who graduated in 1936. The big surprise of the 1937-38 season. Worked his way up from the third team to a starring role on the championship quintet. The team's second high scorer last year. One of the hardest workers on the squad. Is polishing up his game and should rank with the best this season.

ENGLEMAN, HOWARD- forward- 18 -home, Arkansas City; graduate of Arkansas City high school, 1937; played under Coach Everett Nicholson. One of the two scoring sensations on last year's brilliant freshman team. Made seven field goals in the game with the varsity last year. Was an exceptional scorer in high school and is looking even better at K.U. Has an uncanny eye for the basket and unusual ability at worming his way under the basket for setups.

FLORELL, LOREN- forward- 21 -home, Topeka; graduate of Topeka high school, 1935; played under Coach "Buck" Weaver, along with Corlis. Attended Washburn College a year after graduating from Topeka high. Then transferred to K.U. Won a letter last year. The tallest man on the squad at 6'4". Very impressive in early workouts this season. A remarkable long shot and cannot be stopped when he is hot.

GOLAY, GEORGE- forward- 20 -home, Warrensburg, Mo.; graduate of Warrensburg high school, 1935; coached by "Bud" Kennedy, whose father, Dr. A.R. Kennedy, was football coach at K.U. from 1904 to 1911. A first string forward part of the time last year. Has lettered twice, but appears to have just found himself. A whirlwind in the early practices, Golay may be the outstanding man on the team this season. His height makes him dangerous around the basket and his all-around play is much improved.

HARP, RICHARD- guard- 20 -home, Kansas City, Kan.; graduate of Rosedale high school in Kansas City, 1936; coached by Roscoe Brown. On the basis

of his start last year, Harp should be one of the greatest Kansas guards of all time. As a sophomore he was one of the finest defensive guards in the country and his shooting won him the nickname of "Deadeye Dick". Awarded a place on the second all-conference team last year. Big and fast, he is the ideal guard. Always plays at a terrific pace.

JOHNSON, CARL- forward or guard- 20 -home, Kansas City, Mo.; graduate of Northeast high school in Kansas City, 1935; coached by Reeves Peters. Center on the Northeast team which won the state championship in 1935. A first string guard last year until he suffered a recurrence of an old knee injury. Equally good as a forward. A fine rebounder.

KAPPELMAN, LESTER- center or guard- 21 -home, Lawrence; graduate of Lawrence high school, 1935; coached by Edd Wood. Brother of Francis Kappelman, who starred on three Kansas basketball teams, finishing up in 1936. A fine ball hnadler. Has yet to miss a free throw while playing at K.U. Shortstop on the baseball team.

KLINE, JOHN- forward- 19 -home, Hutchinson; graduate of Hutchinson high school, 1936; prepped by Coach "Chop" Cairns. Attended Hutchinson Junior College a year after graduating from Hutchinson high. A rangy boy who is valuable for his rebounding ability. Good around the basket and a sophomore of considerable promise. A regular on the freshman team.

MESSNER, KENNETH- guard or center- 19 -home, Arkansas City; graduate of Arkansas City high school, 1937; played under Coach Everett Nicholson. A guard on the first freshman team last year. A high class defensive guard and a good long shot. Played center in high school.

MILLER, RALPH- guard- 19 -home, Chanute; graduate of Chanute high school, 1937; played under coaches Dale Skelton and Tony Lockyear. Averaged more than 19 points a game during his three years of high school basketball. Probably lost for the season, due to a knee injury.

NEES, WAYNE- guard- 24 -home, Brazil, Ind.; graduate of Brazil high school; coached by Harold Wheeler. Lettered last year in basketball and track and also was a member of the football squad. A burly guard who is rugged on defense and a good long shot on offense.

REID, BRUCE- forward- 20 -home, Arkansas City; graduate of Arkansas City high school, 1936; prepped by Coach Everett Nicholson. A "come through" player who plays his best basketball when the chips are down. An exceptionally smooth passer and ball handler. In the starting lineup for several games at the end of the season last year. Pretty accurate on Ray Ebling's old "scoop shot".

VORAN, BRUCE- center or guard- 20 -home, Pretty Prairie; graduate of Pretty Prairie high school, 1936; played under Coach Walter Graber. Captain of the Pretty Prairie team that won the state Class B champion-ship in 1936. Kept out of action last year by a burn. In good shape again now and making an impression with his smooth ball handling.

From the K.U. NEWS BUREAU, Lawrence, Kan.; W.A. Dill, Director Horace Mason, Sports Editor

For Immediate Release

LAWRENCE, Kan., Nov. .--- A squad of 47 freshman basketball players at the University of Kansas is working out under Dr. F.C. Allen in preparation for the annual varsity-freshman game Nov. 29.

Last year the freshman cage team bowed to the varsity by only four points, 40-44, in one fo the most exciting games of the season.

This year's freshman squad does not include as many "big name" players as that of last season, but contains a number of fine prospects.

Many of the yearlings are rangy and they should be strong under the baskets. They figure to give the varsity a tight game, despite the strength that the older Jayhawks are expected to show.

Dr. Allen is coaching the freshman squad this season, as well as the varsity, and receives assistance with the freshman from some of his varsity men who are contemplating coaching careers.

The freshman squad will be augmented by more candidates at the end of the football season. Some of the members of the yearling football squad are planning to report for basketball.

The members of the freshman basketball squad are Bill Arthur, Olathe; Bob Bond, ElDorado; Roger Brice, Salina; Miller Cameron, Wichita; Harry Champlin, Long Island; Bob Cooper, Washington; Bennie Course, Abilene; Jack Engle, Liberal; Bill Eubank, Paola; Jack Floyd, Arkansas City; William Gibson, Denver, Colo.; Roscoe Hambric, Hutchinson; Van Hartman, Hays; Chain Healy, Wichita; Henry Holtzclaw jr., Lawrence.

On John H

DR. ALLEN -- Is this something on the order of the letter to be sent to the members of the Athletic Board?

yes this is excellent.

Dear Professor Davis:

I am enclosing a mimeographed copy of the letter that I mailed out to the members of the basketball squad. I thought some of the information contained therein might be of interest to you. My chief motive in writing this letter to the boys is to keep them interested in the spirit of training.

Too many boys think that they will start training when they get back to school, and if we show them that we are interested in their welfare and their success it is so much easier to keep their interest definitely linked up with intelligent living. I thought you might like to see how we encourage the boys to do a good job of training.

you might hold the Chaucellars Justel his return.

Sincerely yours,

Chancellor Lindley, ex officio
