

DARTMOUTH COLLEGE ATHLETIC COUNCIL  
HANOVER, NEW HAMPSHIRE

Feb 18 - 1937

Mr. Forest Allen  
University of Kansas,  
Lawrence, Kansas.

Dear Mr. Allen:

In answer to your question in regard to "Moose" Studis, his height is 6'6" and weight 200 lb. He played first string center the first half of the season but lately has had to give way to a center 6'1".

Very Truly yours,  
O. B. Cowles.
