Dear Charlie:

This morning I had a chance to talk with T. D. Funk and I really gave him a strong pressure talk in your behalf. I used every appeal that I could toward him giving you favorable consideration for that job.

He said that he had two veterans returning who he had to take back, but he would give you very definite consideration concerning the other two places.

If at any time I can be of any service to you, do not refrain from calling upon me. With all good wishes, I am

Sincerely yours,

Forrest C. Allen  
Varsity Basketball Coach and  
Professor of Physical Education.
