Mr. Lee Hamilton
111 Sutter Street
San Francisco, California

Dear Lee:

Frank Mandeville, whom you remember as my half-back on the Kansas team when we scored three touchdowns on Nebraska (and he made all three touchdowns), is looking for a job as a salesman. Mandy was with Lowe and Campbell Sporting Goods House for years and was doing very well indeed. Then last fall he took a job on the road with Southern Comfort. They promised him a lot of things like building a camp in the north woods for the entertainment of ritzy guests and the children of these people. Well, things did not pan out as he expected and he is unhappy.

He dropped in a couple of weeks ago and I promised him I would write you and see if you were taking on any salesmen. His address is 8312 High Drive, Kansas City, Missouri, and I know he would appreciate it if you would drop him a line, giving him knowledge of any possibilities as to future employment.

I would recommend him without reservation, as I have known him for more than twenty-five years and have always found him an upright and loyal individual. He is a find type of gentleman in whom you can place every confidence.

Mrs. Allen received a wire, an Easter greeting, from Mary, Libby, and Joan. I presume you were out of town on a business trip.

With all good wishes to you and yours, I am

Sincerely,

FCA:MF
