

Ellinwood Shades Lyons

●The third Barton county team to win in the tournament, Ellinwood's Eagles, playing powerfully, won 28 to 24 over their old Central Prairie league rivals, Lyons, in the opening game Thursday night.

Lyons took an early lead, but Ellinwood soon got the upper hand and held it for the most part by narrow margins.

As you will notice, The Herald's method of publishing box scores is much more complete than the ordinary method.

The player's number is given first, then his last name, with initial or first name if there are other players with the same last name, and the position played: forward, f; center, c; guard, g.

The five columns of figures are as follows:

G—Field goals made.
Ft—Free throws made.
F—Fouls committed.
Mg—Field goals missed.
Mft—Free throws missed.

To compute the total score made by any player or team, simply multiply Gx2 and Ftx1, and add together.

To compute the percentage of attempted field goals made by any player or team, divide G by the total of G plus Mg.

To compute the percentage of attempted free throws made by any player or team, divide Ft by the total of Ft plus Mft.

In the box scores as published by The Herald, substitutes' names appear in the order that they first entered the game, regardless of the position played. The first five names are starters, sixth name the first substitute, etc.

Hoisington 50 Larned 29

●Hoisington's Cardinals, picked by many basketball observers to battle it out with Wamego for the state Class A championship, easily won their opener Wednesday night 50 to 29 from Larned, doormat of the Southwest Kansas League.

Dean Streck, A. C. Ford and Bill Boldenow led the basket barrage, convincing a few skeptics that Hoisington isn't a one-man team. Big Rick Harman, 6-foot-4 center, averaged 21.7 points per game to lead the Central Prairie League; but he has some teammates who bear plenty of watching too. Berryman, slender Larned junior forward who will be heard from next year, scored 16 points for high honors on either team.

The Cardinal regulars sat out part of the second and fourth quarters, but their replacements failed to score.

Salt Hawks Nip Dodge

●Playing methodical, alert basketball, the Hutchinson Salt Hawks, runners-up in the Ark Valley league, overcame the hard fighting Dodge City Red Demons, second place winners in the Southwest Kansas league, 30 to 23 in the second game Thursday night, to sweep into the Class AA finals Saturday night.

Hutchinson's tight defense forced the western team to be content with long or closely guarded shots. The Hawks missed frequently from the field, and the Demons' free throwing was not up to par.

Announcement over the public address system by Gerald Barker, former G.B.H.S. basketball coach, is a big aid to spectators in following the tournament games this year. With the crowds sometimes blocking a view of the scoreboard, the score has to be announced occasionally.
