

June 4, 1938.

Mr. Howard C. Bigelow,
The Farmers Bank,
Gardner, Kansas.

Dear Howards

I have your very good letter of June 2nd containing the sad news that you lost not only your pocketbook, but that your K-card happened to be in there and that it went with the wind.

You did not tell me of the amount of filthy lucre that you had stored away in that pocketbook, but I am taking it that the cashier of any bank can stand the loss without a lifting of an eyebrow!

I am passing on your letter to my successor, Mr. Guinn Henry, Director of Athletics, and I am very sure that in a short while you will hear from him. If you want to hasten the procedure, however, I would suggest that you mail a check for \$1.00 to Mr. Henry for a new card and he will have it lettered and mailed to you. This is the price of a new K card.

With every good wish to you, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
