SOUTH UPSETS NORTH, 7 TO 6; MANUAL DRUBS WEST, 27 TO 6

(By FRANK HARWAY.)

The Denver prep football race became a three-way scramble for the championship Saturday morning at Denver U. stadium as South's defending champion Rebels handed North's Vikings their first setback of the season, 7-6, and Manual's Thunderbolts ran all over West's light, inexperienced Cowboys, 27-6.

This combination of events left North, South and Manual all tied for first place as the race reached the halfway point. Approximately 5,000 youthful fans saw the games. South deserved its victory over the hitherto undefeated Vikings, who were the favorite of the way and cashing in one of four scoring opportunities while keeping North thoroughly shackled except for one successful strike. The net rushing figures of 150 yards for South to 131 for North and 81 first downs to 70 for North and 81 first downs to 70 for North and 81 first downs to 70 for North.

For aside from its scoring march, North was able to penetrate South territory only once, going to the Rebel 25 near the end of the half which ended with the Vikings being thrown back to the 37 on two plays. South came out loaded for action in the second half. Dale Nelson spotted a kick out of bounds inches from the North goal line to set up

Roy Jussel scampered 30 yards to the South 19, almost getting away. He was tackled by Jussel, after apparently being tackled for a loss, broke away for a 14-yard scoring jaunt. Jussel was inches short on a try at left tackle for the extra point, and then went the ball game. South marched back after the next kickoff and went to within 1 yard of a touchdown only to be penalized for offside on the key play and losing the scoring opportunity. But that took the fight out of the Vikings and South dominated the play thereafter.

From here the Rebels moved to pay dirt. Pavella lost 5, then made it back on the next play. Bobby Karbatsch clipped off 6 and Gasper Perricone, the star performer of the day, smacked the line for 8 more and a first down on the North 8. Karbatsch gained 2, Perricone lost 1 before Karbatsch scooted inside after the ensuing kickoff out of bounds until they had a touchdown. Will Lynch started the 60-yard march with a first down at midfield in two plays. Then

Jackson Fights Taylor Tuesday

Johnny Taylor, flashy California welterweight, and Jesse Jackson will meet Tuesday night at the city auditorium in a ten-round bout staged by the Denver Sports association.

Crowding the main event for interest will be the eight-round semi-windup between Merle Vannoy and Wilbert Meredith. Vannoy, who scored a sensational knockout in less than a round his last out at the local arena, against Reddy Hubik, has the fight fans looking forward to his next appearance. Taylor arrived in Denver Saturday morning and took a short workout in the Manhattan gym against local sparring partners. Taylor brings to Denver a good record in recent bouts. Among his most recent victims are Earl Turner, currently rated No. 4 among the nation's welterweights; Bobby (Sugar) Caine and "Killer" Dearing.

Cornell 13, Sampson 6

Ithaca, N. Y., Oct. 21.—Cornell scored a touchdown in the closing minutes of the final period Saturday to defeat Sampson 13 to 6 before a crowd of about 3,000.

Somebody Loves Superbombers

Fullman, Wash., Oct. 21.—(A. P.)—Washington State college, which abandoned football a year ago, has adopted the Second Air Force Superbombers and plans to make the University of Washington Superbombers tilt at Spokane Nov. 18 the school's "big game" of the year.

The student body has reserved a section in Gonzaga stadium for the event. The Pullman delegation will take to Spokane the college band, cheer leaders, Butch, the live cougar mascot and everything else that marked college participation when Washington State was fielding teams. The Second Air Force headquarters has put its stamp of approval on W. S. C. adoption of the Superbombers, the State college announcement said, pointing out that such former W. S. C. greats as Billy Sewell, Nick Susoff, Bill Remington, Gus Renfro and Johnny Holmes are now on the roster of the air force team.

Two Paroke Tilts Slated at Regis

The red-hot scramble for the Parochial high school league football leadership is not expected to be untangled much by Sunday's Dad's day program at Regis stadium on which St. Joseph's and St. Francis, both undefeated, take on foes they are expected to defeat.

The Bulldogs, smartly coached by Lieut. Col. H. E. (Bill) Reed, state football coach and service director and pre-war Loveland high school mentor, take on Annunciation's capable Cardinals at 3 o'clock after the St. Francis Gremlins battle with the inept Cathedral Bluejays at 1 o'clock. The Bulldogs, with their brilliant Johnny Dufficy at the helm, and the Gremlins are heavy favorites. Following are the league standings and individual scorers:

| Team | W. | L. | T. | Pts. |
|--------------|----|----|----|------|
| St. Francis | 2 | 0 | 0 | 45 |
| Regis | 2 | 0 | 0 | 45 |
| Annunciation | 2 | 1 | 0 | 37 |
| Holy Family | 1 | 2 | 0 | 12 |
| Cathedral | 0 | 3 | 0 | 19 |

On the other hand, the C. C. backs were unable to break away for any sizable gains, because C. U. was turning in an almost equally good game on defense. The Tigers did not penetrate their opponents' territory until but one minute remained in the first half, and never advanced beyond the silver and gold 34-yard line.

SOME CHANCE WINS \$50,000 N. Y. RACE

New York, Oct. 21.—Some Chance, with Al Snider up, came from behind near the finish to upset some of the best handiwork horses in the sixth running of the \$50,000 added Gallant Fox handicap on Jamaica's muddy turf Saturday.

The 5-year-old winner was clocked in 2:46 flat and paid \$11.80, \$7.70 and \$5.70 across the board.

Pyraechan, with Bobby Merritt in the saddle, held on to edge Stymlie for second place honors. Diver and Bollingbroke, the favorites in the event, finished far back.

Cross Country NOTRE DAME 31, Wisconsin 24

South Bend, Ind., Oct. 21.—(I. N. S.)—Notre Dame's attack, which previously had run up 148 points to none in three games, exploded and erupted with startling velocity Saturday to score early on Wisconsin and ultimately best the Badgers, 28 to 13, in a wild, free-style game before 40,000 spectators.

Thus Notre Dame kept its unbeaten and untied record intact. This, too, its hitherto blameless defense yielded the first touchdown by an opposition team this season, the Badgers striking back shrewdly for their scores after the Irish had run up a 28-0 lead.

Meantime, the Notre Dame attack had practically closed the books on the entire afternoon in less than two minutes and thirty seconds of play, this time being divided between the start of the first and third periods.

The first of these required 1:17 on the watch for a touchdown, with Bob Kelly furnishing the big punch. Briefly, he went 51 yards around right end to score standing up.

A Notre Dame recovery of Earl Girard's fumble on the 9-yard line set up the second touchdown, with Kelly again functioning on the scoring play on a 4-yard thrust thru the defensive left side.

Wisconsin made a scoreless fight thru the second quarter and almost scored itself as the half ended, being on the 4-yard line when time was called.

Within 1:12 of the third period, the Irish luffed twice. They did this almost at the outset for 2 points when Jerry Thompson mistakenly touched the ball down for an automatic safety, after picking up the kick-off on the 2-yard line.

Then, barely before the next play—a free kick from the 20—was well out of the way, Elmer Angsman shot into the open and went 35 yards across the goal.

Within another minute Notre Dame rang the bell again. Merle-gantler blocked Girard's punt, the ball rolling outside on the Badger 41. On the next play, Achille Maggloff took a pass from Frank Daniewicz and went over for the score.

The Badgers counted their first touchdown in the third quarter. The drive started when Girard hit End Jack Mead with a pass from the Irish 49 to the 25. Girard then raced around left end for 14 yards and followed this sprint with a pass over the middle of the line to Mead, who caught the ball on the 1 and stepped over for the score.

CARDINALS AND BROWNS SLICE THE WORLD SERIES MELON

Chicago, Oct. 21.—(I. N. S.)—The World Series melon was sliced Saturday.

From the office of Baseball Commissioner K. M. Landis, checks were forwarded to the members of the St. Louis Browns and the Cardinals totaling \$216,715.64.

The Cardinals divided their loot of \$130,028.18 among thirty-five men, with a full share worth \$4,266.01. Checks for this amount went to twenty-six members of the world championship team.

BUFFS MAKE ALL TOUCHDOWNS ON PLAYS OF 33 YARDS OR MORE

Thundering Herd Blocks With Telling Effect on Long-Gaining Runs and Passes; West Races 98 Yards to Score.

(By EUGENE LEVIN.) (Denver Post Staff Correspondent.)

BOULDER, Colo., Oct. 21.—A thundering herd—and it was a herd with four- and five-man interference leading the runners—of Colorado university Buffaloes trampled the vainly clawing Colorado College Tigers, 28-0, in Saturday's happy homecoming game. The Golden Bisons struck like lightning four times, and three scores were the result of long runs featuring beautiful blocking.

That was the story of the game, for Colorado university's eleven turned in one of the best displays of downfield blocking ever shown at Norlin stadium, and their opponents were literally blown over. Lemar Dykstra, blocking back, led the Buff charges, but every man on the Buff squad turned in a magnificent performance to give the team the mythical regional collegiate football supremacy.

On the other hand, the C. C. backs were unable to break away for any sizable gains, because C. U. was turning in an almost equally good game on defense. The Tigers did not penetrate their opponents' territory until but one minute remained in the first half, and never advanced beyond the silver and gold 34-yard line.

Several of the boys on both squads were playing their last collegiate game before leaving with their various navy and marine outfits. These boys all turned in inspiring performances, particularly John Ziegler, Ben Cardinelli and Reed Norstrom of the Tigers and Co-Captains Willard Miller and Jim Price of the Buffs. Before the game, the C. U. V-12 passed in review in honor of the graduates of the navy men from the two schools.

The Bisons started on the march from the opening gun and were never headed. With three and one-half minutes gone and in the space of seven plays C. U. had its first score. Following the kickoff, Bob West and Price made it a first down to their own 48. Then West scampered 19 yards behind the aforementioned four-man interference to the C. C. 33. Two plays later, West passed to Price on the 15 who spun out of the clutches of one tackler and scored standing. Stu Worden's kick was good.

That was all of the Boulder scoring for the first half, but Coach Frank Potts' boys managed to penetrate to the C. C. 18 later in the first period; and another drive fizzled on the C. C. 2-yard line in the second period. The kickoff, Bob West and Price made it a first down to their own 48. Then West scampered 19 yards behind the aforementioned four-man interference to the C. C. 33. Two plays later, West passed to Price on the 15 who spun out of the clutches of one tackler and scored standing. Stu Worden's kick was good.

The third period saw the outstanding run of the game. Bob Errett punted to West standing on his own 2. The C. U. tailback then cut sharply for the west sidelines and tight-rope walked along the boundary for 98 yards and a score. Again, the superlative Bison blocking was maintained as one after another Tiger was bucked by a charging Buff. Worden's placekick was again good and C. U. led 14-0.

In the last period, following a C. C. punt which set them back on their own 30, the Buffs once more demonstrated their downfield blocking ability. Price cut thru tackle Errett and ran 24 yards to the 15. Bisons were penalized back to their own 27 for intentionally grounding the ball. Then Dick Morrow cut across the field around end, shifted his field, and was away for a 73-yard touchdown run with his teammates cutting down one would-be tackler after another. Later in the same period, Don Evans cut around end on an almost identical run, but only had to go a "mere" 54 yards as his team gave him plenty of help.

The game statistics show the definite superiority of the Buffs. Altho the first downs were tied at eight apiece, this does not mean anything in notice as one after another Tiger was bucked by a charging Buff. Worden's placekick was again good and C. U. led 14-0.

OHIO STATE SMACKS GREAT LAKES, 26-6

(By HAROLD HARRISON.)

Columbus, Ohio, Oct. 21.—(A. P.)—Those somewhat terrific Bucks from Ohio State bounced off the ropes in the fourth quarter Saturday to ram over three touchdowns and hand the Great Lakes naval training station a 26-to-6 defeat before a tremendous outpouring of 73,477 fans.

It was Ohio State's fourth straight victory and the first setback of the season for the Bluejackets who were coached by Lieut. Paul E. Brown, head coach at Ohio for three years.

After completely dominating the game in the first half, the Bucks sagged in the third quarter to let the Bluejackets tie the count 6-all and when the final period started Ohio State to all intents and purposes was well on its way to fade out.

Then came the deluge. The Bucks, seeming to get their second wind, all but ran the Bluejackets out of the park.

Leslie Horvath, 167 pounds of full dynamite who had been pretty well held in check most of the afternoon, suddenly caught fire.

Starting from his own 33, he whipped a 24-yard pass to Jack Dugger and then reeled off 34 more yards by himself to give Ohio a first down on the Great Lakes five-yard line. And it was Horvath who finally scored the touchdown from the one-yard stripe.

That was all the Bucks needed. Fighting desperately with passes, Great Lakes dusted off the old Statue of Liberty play and Dick Jackson, reserve Ohio State end, swiped the ball out of Jim Youell's hand at the Bluejacket 40 and ran back to the 19 before he was brought down from behind. Just four plays later Ollie Cline went thru the middle like a runaway freight train to score from the 6-yard line.

The rapidly tiring Youell still didn't give up on his passes, however, but the Buck linemen were all over him and Great Lakes gave up the ball on downs at its 25. Horvath went into action again and the clock showed just one second to go when he battered over from the 2-yard line.

Great Lakes warmed up to its work in the third period and passed its way 75 yards for its only touchdown. A 16-yard toss from Youel to Chuck Avery and a lateral-forward that went from Youel to Ed Sagan to Don Mangold ate up 46 yards of the distance and then a final heave from Youel to Avery was good for the last 30 yards.

Once after that Great Lakes got to Ohio State's 19 but the Bucks held for downs.

California loses To Fleet City, 19-2

(By FRANK HARWAY.)

Logan, Utah, Oct. 21.—The University of Nevada Wolves, capitalizing on a 20-yard pass in the third quarter, pounded out a close 13-to-7 victory over a comparatively inexperienced Utah State Aggie team here Saturday before a crowd of 2,000.

Altho outweighed 14 pounds per man on the line and 5 pounds per man in the backfield, the Aggies held the Wolves on the defense much of the game with their fast-breaking T-formation plays.

However, Nevada, paced by Bill Macrides, 138-pound quarterback, came thru when the chips were down to assure the visitors of the victory.

Macrides scored the winning touchdown on a 15-yard smash thru the center of the line after Halfback Al Nocedo had set up the play by snagging a 20-yard pass. Captain Bob McClure kicked the extra point.

Nevada's other score came in the opening period of play when Halfback Alf Sorenson raced 33 yards for the tally on an off-tackle smash. McClure's try for conversion was blocked.
