Dear Varsity Men:

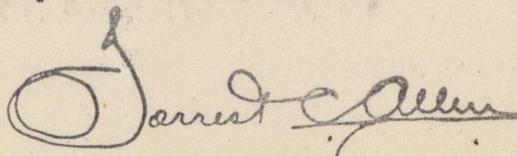

I want to make a statement regarding varsity basketball practice. We will hold our practices on Monday, Tuesday and Thursday at 3:30. The locker room will be open at 2:30 for those who do not have classes and have caught up on their studies, but the regular practice will start at 3:30.

During October we will practice on three days a week. In November we will step it up to include Wednesdays and Fridays, and in late November we will practice Saturday because we play the Oklahoma Aggies here on December 5th.

Last year we permitted the varsity men to play touch football. So many of the men were injured and there were so many absences on account of practices and games that we did not fare very well. Consequently, I am making a ruling now that none of the varsity men who come out will be permitted to miss basketball practice nor will they be permitted to compete in intramurals during the basketball season.

Our first practice is Monday afternoon, October 2. I trust that we will see you Monday afternoon, with the exception of the varsity football men.

Very sincerely yours,

Varsity Basketball Coach.
