Mr. Dwight Friecke,
5901 Wabash,
Kansas City, Mo.

Dear Dwight:

It was a great pleasure to meet with you and to enter into the pleasure of the father and son banquet which was held at your high school Wednesday night. You made a fine talk. I heard so many wonderful things about you that I want you to keep in touch with us while you are in the service, and later I hope it will be possible for you to enter the University of Kansas. I would be delighted to have such an individual on my varsity squad.

I am sending you a copy of our Jayhawk Rebounds - a letter that I write approximately each month to the boys in the service. I know that you will be interested in reading about some of the activities of these valorous Kansas boys on the seven seas and the many fronts in this world war. I am putting you on the mailing list, so from time to time you will get these letters.

Let me hear from you occasionally.

With all good wishes, I am

Sincerely yours,
