"
Dear Phog":

Perhaps you don't remember me but you issued me a wrestling letter once for wrestling when Leon Bauman was coach. I remember you drove us to Lincoln Nebraska in your car for our match there. My name A. D. "Dave" Miller.

Now to the purpose of this letter. We have here in Lakin a boy about 6'1" in civilian clothes Clyde Wiley Jr. He was the power here on our better than average basketball squad and I'm pretty sure you could use him. He is 4 F but perfectly able and a left handed one handed shooter. I suppose he would weigh about 175 #.

He has 16 semester hours from Garden City Junior College and is 19 to 20 years old. He told me yesterday he is going to Hays next semester and I talked him into waiting until I could get a reply from you.
