

regardless of whether you want him please
let me or him or both hear from you
by return - Please.

He hasn't a lot of money and needs
a little financial encouragement - I don't
know how much.

I'm sure you can use him.

So far this year I have won three
games and lost one.

I see your team is beginning to gather
steam - Power to you.

By the way this Wiley pitches for
the town team baseball - I don't know
how good - I've never seen him play
baseball. - Takin does not play football
so I don't think he has any experience
in that field.

Good luck - and may we hear
from you by return.

Sincerely
W. L. Miller
