Mr. E. C. Quigley  
Athletic Director  
Kansas University  
Lawrence, Kansas.

Dear Mr. Quigley:

Carlson is definitely coming to Kansas University as soon as he can get reservation. I believe that you will find that he is a very excellent boy and will make a great basketball and baseball player in time. He certainly has a wonderful attitude. He comes from a rather poor family and will have to make his own way at Kansas University. He does not expect a great deal and is willing to work for anything that he gets. I told him that you would get him a job for his room and board and would help him in anyway you could.

He is looking forward to meeting you and Dr. Allen and I know that neither of you will be disappointed in him.

Sincerely yours,

*Jim Frealey*
