Coach V. O. Ward,
Medicine Lodge, Kansas.

Dear V. O.:

I have called Don Heiland a couple of times and have invited him down to our Homecoming game with Nebraska Saturday. He has not been called and it looks as if he might not be.

I am sure he would help us both in football and basketball. I am hoping that he will come.

I do appreciate your friendly interest in the University of Kansas, and I assure you of my gratitude.

With all good wishes, I am

Sincerely yours,
