Coach V. O. Ward,
Medicine Lodge, Kansas.

Dear Coach Ward:

Thank you so much for giving me the information regarding Don Heiland, Dean Dawson and Dick Dill. It is very generous of you to give me this information.

I have just placed a call for Don Heiland this morning. Doubtless he may have gone to some other school, but it was not possible for me to contact him sooner. I talked to Henry Shenk about Don Heiland and if he has not already entered school we would be delighted to have him here.

I am making a notation regarding Dick Dill especially. I remember that you thought he would return to Medicine Lodge from ElReno. I certainly would like to have him on my basketball team because if he is as good as Dick Smith, he is a dandy.

When I talk to Heiland I will ask him about Dawson's availability.

Won't you be kind enough to keep me informed regarding the available good men that you come in contact with? I am anxious about this boy Truby that you mentioned. Anthony has had some fine athletes in the past few years, but the service seems to have gotten most of them.

With appreciation, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
