Dear Principal Farmer:

Please do not think that I failed to appreciate your letter of February 19th regarding Wayne Wingo. The fact of the matter is I have been covered up with war work, besides my athletic activities.

I am calling the attention of Wayne to Henry Shenk, our football coach.

The fact that Wayne would go in the service in December would doubtless make him available for football, but would not help him too much for basketball. However, I will be glad to help in any way I can. We are interested in helping every boy help himself, and we appreciate your interest.

I trust that your 1 - 3 - 1 defense stood you in good stead.

Very sincerely yours,
