Mr. Don Barrington,
Ohio Street,
Kansas City, Kansas.

Dear Don:

Paul Carpenter came to my office to tell me that there is a possibility of your coming to the University of Kansas this next fall. We know of your football and basketball capabilities as well as your ability to make good grades, and I assure you it would be a great pleasure to have you here at the University of Kansas.

Paul tells me that you will doubtless work in Eudora and he has also said that you asked to live in the house during the summer months. I am sure that you would enjoy it with this group because there are about 25 to 50 K.U. boys who are going to work at the Ordnance plant.

I am dropping you this friendly note of greeting to let you know that we would be mighty happy to have you and I sincerely trust that it will be possible for you to enroll. If at any time you should happen to be around the University it will be a pleasure to see you. I will be here eight weeks for the Summer Session, teaching and handling the summer recreation, so I trust that you will drop in with Paul and say hello.

With all good wishes, I am

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
