Mr. Bob Powell,
525 Clay Ave.,
Topeka, Kansas.

Dear Bob:

I am dropping you a short note to let you know that a lot of your friends are interested in your attending the University of Kansas. Jean Fisher and a number of other students have spoken so highly of you that they would like to have you on Mount Oread.

I assure you that from all contacts that I have had with you I have been very pleased with your personality and your ability. Of course, your old coach, Ernie Vanek, thinks you are tops.

The University is offering a great number of courses that permit a boy to enlist and attend classes until he graduates if he gets into a vital industry. Engineering, chemistry, medicine, bacteriology - all offer special courses for the war effort. If there is anything that we can do in your behalf we would be very happy to hear from you at any time.

With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
