Mr. Dorsey Elliott,
Coach, Sublette High School,
Sublette, Kansas.

Dear Dorsey:

Thank you very much for your nice letter of July 20th concerning Vern Rutledge. Yes, I do remember him and I think he is a fine player, and he looked like an excellent chap from my observation.

I am glad that Vern's first choice is K.U., and I assure you we will be very happy to help him. Otto Schnellbacher is in Sublette and I will ask Otto to get in touch with Vern, and since Otto is here at the University he can tell him just about what it will cost here at the University. You know, Dorsey, the cost in any school is controlled by the individual student more than anyone else. If a kid cannot hold his expenses down and does not have good sales resistance, of course it will cost him a lot of money. But many boys have gone through the University of Kansas very cheaply and still have gotten a fine education.

I appreciate your writing me and you can depend on my taking a first class interest in this boy. If, after Otto Schnellbacher contacts Vern and you, there is anything further that we have not covered I will be very happy to hear from you.

With appreciation and all good wishes, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
