Dr. Forrest O. Allen

Director of Physical Education

Lawrence, Kansas

Dear Doctor Allen:

The father of our boy Pfister says he is too busy to take him to Lawrence on April 18 but I am going to personally conduct the young man to Lawrence to accept your invitation for a practice with other high school boys.

I will have him take his suit along and I will get him there plenty early for the practice; however I do not know the exact time of your practice.

If there is any information that I should know I will appreciate a line to that effect.

Sincerely,

Johnnie Corrigan
