Dear Doctor - I want to thank  
you for letting me lose those  
three tickets last week.

Sorry we couldn't win the  
tournament.

There is a good tall boy at  
Halstead. I think his name is  
Smiley. That look pretty good.  
I think you should have some  
one contact him.

We have a boy just seventeen  
years old. That never went out until  
this year and made the team. His  
name is Hanson. Ask Hays what  
he thinks of him. He is at least 6 ft.  
tall.

If you see ever this way, please stop  
Sincerely W. C. Jessen
