

March 30, 1942.

Mr. Max White,
Sledd Building,
Lyons, Kansas.

Dear Max:

Thank you, Max, for your very good letter of the 29th instant. We will invite Martin of Fredonia, and Turner of Lyons in for our Kansas Relays morning warm-up with our varsity athletes.

Won't you write me and give me Turner's first name and any background, so when I write him he will know that I am acquainted with his background?

I appreciate what you had to say regarding Donaldean Maison. We did everything we could for the boy and he led us to believe that everything we had done was entirely satisfactory and that he was happy. I do not like this sort of thing and believe that the best way to impress the boys forcibly is to pull no punches but tell them the whole truth and nothing but the truth.

Will you also please tell me Turner's background regarding finances and so forth?

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach.
