Dear Doctor Allen:

I talked to Harold Howey about coming to Lawrence some weekend as you suggested when I was in your office last Tuesday. He seemed very interested to have a talk with you and I told him I could bring him to Lawrence any weekend this month and would leave it to you to decide when the best time would be. He told me two men in Pleasanton had mentioned K.U. to him, Bradley an insurance man and Jack Smith a coal dealer.

If there is any other information you wish to know about Howey, I would be glad to get it for you. I have talked to some of the people in town and will be able to give you their information about Howey.

Yours very truly,
