Dear Bob,

Thank you very much for writing me regarding the two fine basketball players who are prospective University of Kansas students.

I have heard of Dale Hall and Harold Howey as fine athletes and fine fellows and I will be very glad to have them up for a game or two.

Will you be good enough to act as an intermediary for me? I will procure tickets for them and you can see that they get them.

Again, thank you for your interest.

Sincerely,

Director of Physical Education and Recreation  
Varsity Basketball and Baseball Coach
