E. A. THOMAS  
COMMISSIONER

Dr. Forrest C. Allen  
University of Kansas  
Lawrence, Kansas

Dear Doctor Allen:

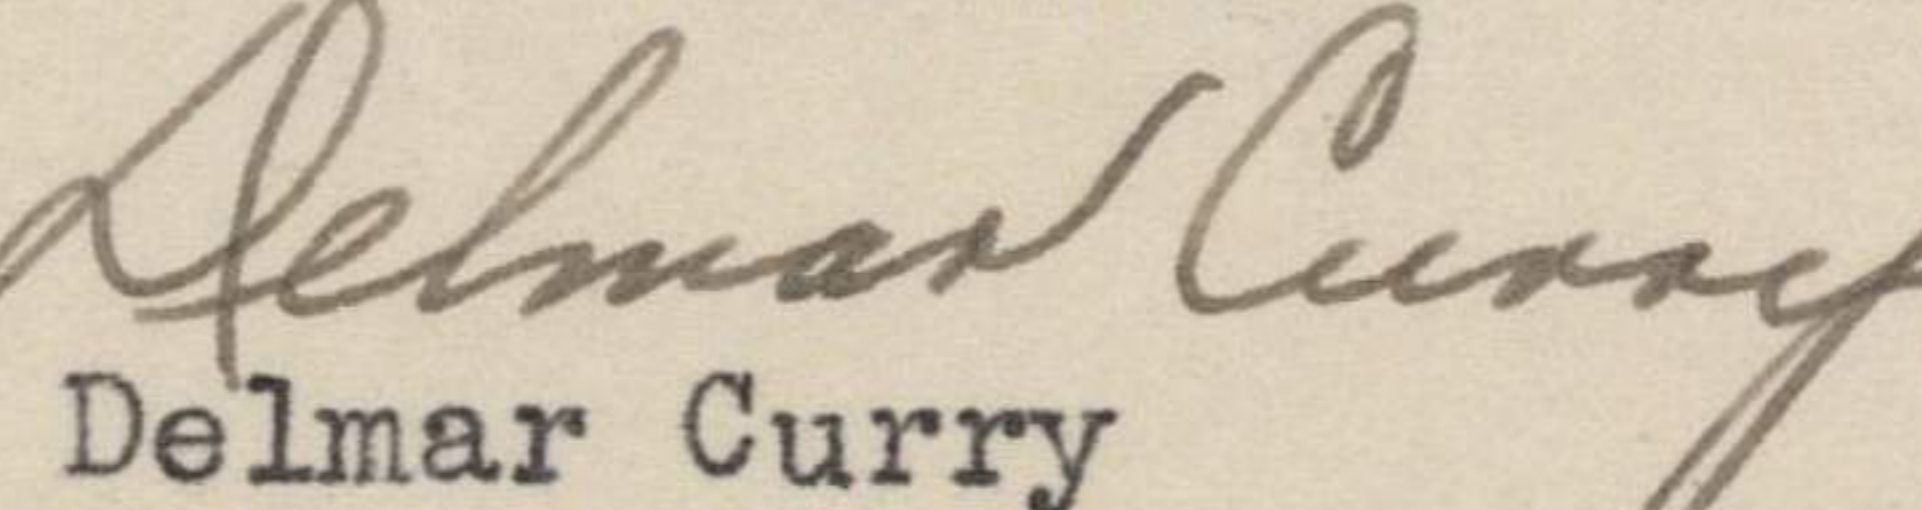

Mr. Stone told me when he returned from Lawrence Monday that he had a very pleasant conversation with you at the Rotary dinner.

The Association has given up its former practice of selecting an all-state honor roll from the state tournament players. However, some of the sport writers here got together and placed Hall, Parsons; and Carson, McPherson at forwards; Dewell, Newton at center; Joe Thornton, Winfield; and Scott, Newton at guards on the first team. The second team included Lindquist, Ward; and Durnil, El Dorado, at forwards; Gepner, Dodge City, at center; with Powell, Topeka; and Bill Thornton, Winfield, at guards.

At the Class A and B tournaments I do not believe any one attempted to pick a team and since I did not see any sessions except the AA here, I am a pretty poor source for information as to how they were playing at the close of the season.

However, I have gone through the 48 teams playing in the three state championships and have listed all seniors. I thought perhaps someone may have written about certain boys and such information will tell you whether or not they graduate. I am also enclosing a list of the leading scorers as well as box scores from the tournaments which will appear in our April issue of the magazine out the end of this week.

If I may be of any further service, please let me know.

Very cordially yours,  
  
Delmar Curry

# NEWTON, FREDONIA, HALSTEAD WIN STATE TITLES

Three new state champions were crowned as the climax of the 1941-42 basketball season saw Newton become the Class AA title holder, Fredonia annex the Class A tournament and Halstead earn top Class B honors.

An old Newton tradition of adding a state championship at least every five years was kept in tact by the Railroaders becoming the second Class AA champion, defeating Winfield, 29-24, in the finals. It was the eighth state championship for Coach Frank Lindley's quintet, previous Newton titles having been won in 1916, 1917, 1921, 1926, 1931, 1936 and 1937.

The new Class AA winners disposed of Ward, Dodge City, Wyandotte and Winfield on their way to the championship. Winfield reached the final bracket by ousting Coffeyville, Manhattan and Topeka. After nosing out Wyandotte, 31-30, in the quarter-finals, El Dorado withdrew from the tournament when it was discovered one of its players, Calvin Garland, was over age. At El Dorado's request, Wyandotte replaced them in the bracket and played Newton in the semi-finals. Although losing the semi-final game, the defending champions came back to win third place by defeating Topeka, 34-29.

### Fredonia's First Championship

In a dramatic overtime battle, Fredonia outlasted

Lyons, defending Class A champion, in a 30-25 thrilling semi-final test and then went on to win the championship by downing Augusta, 35-27, in the finals. It was the first state title for the Tri-Valley champions coached by Allen Burns. Fredonia turned in earlier wins over Smith Center and Hays to set the stage for the feature clash with Lyons. The latter team won third place by defeating Russell, 40-36. Augusta earned its way into the final bracket the hard way, with a one point victory over Medicine Lodge, a two extra period decision over Norton and a seven point conquest of Russell.

Halstead found plenty of competition in this year's Class B tournament, but came through with successive triumphs over Enterprise, Cedar Vale, Powhattan and Arnold. Coached by G. A. Haury after Dave McGill was called into service, Halstead was credited with its first official state championship, although the Mid-Kansas League school won invitation tournaments sponsored by the University of Kansas in 1908 and 1909. Sublette, defending state Class B champion, was eliminated in the regional tournament and did not qualify for the state meet.

## 1942 STATE CLASS AA BASKETBALL TOURNAMENT

\* El Dorado forfeited to Wyandotte. Wyandotte played Newton in semi-finals.

Third place game: Wyandotte 34, Topeka 29.

## 1942 STATE CLASS A BASKETBALL TOURNAMENT

Third place game: Lyons 40, Russell 36.

**State Tournament Notes**

In opening their season, the Railroaders downed Augusta, 30-25 . . . Fredonia closed its season against the same foe, winning 35-27 . . . Richard Pfister, Powhattan forward, was the leading individual scorer of the state tournaments, tallying 62 points in four games for a 15.5 average and committed only two personal fouls . . . Accuracy from the free throw line paid Newton dividends . . . The champions were outscored from the field by Wyandotte and held even by Winfield but neither foe

could match the Railroaders from the charity stripe . . . Coach Johnnie Corrigan's Powhattan team played four state tournament games and made a total of only 23 fouls! In one game the Indians made four mistakes, in another five and in the other two appearances a scant seven.

Powhattan led Halstead, 14-4 at halftime, only to lose 24-22 in the champions' last half surge . . . Three of the four quarter-final games, and both semi-final battles in the Class B tournament were two-pointers decided in the final minute of play, one going into an overtime.

Dear Doctor Allen:

In this morning's mail was the Hutchinson High School paper which listed an "all-state" honor roll for the Class B tournament. I don't know what officials selected it, perhaps some of the newspaper boys. At least I am enclosing it for what it is worth.

Very cordially yours,

Dear John:

I have heard some very fine things concerning your sterling ability as a tennis player. I also hear that you are an excellent basketball player.

Of course you have been in California long enough now to get the California enthusiasm, but if you should ever plan to come back to the country of your dad we would be happy to have you at the University of Kansas.

Someone said that you may have the ability of Tus Ackerman if you continue to develop. Get your father to tell you what he thinks of Tus Ackerman.

I am happy to see you making such a fine record and I will watch your success with interest. Congratulations, and good luck!

Very sincerely yours,

Dear Fred:

    Mighty happy to hear from you as of your letter of December 6th. I am glad to know that your son, John, is getting along so well. I will be happy to write him and congratulate him upon his success.

    It was a pleasure to hear from you, Fred.

    With all good wishes of the Christmas season,

Mr. Forrest Allen  
Kansas University

Dear Phog:-

My son John is really a live wire and just the kind of a chap you would like, a handsome blond boy, very modest.

He is the second ranking tennis player among the high schools.

Although small he is a very fine basket ball player, very fast and very alert and a quick thinker. He was born on the 10th. of November 1925 and has just turned sixteen. He will graduate from Beverly Hills High School next June and will attend College next October. Beverly Hills High is one of the largest and definitely the finest high school in Southern California.

John should put on some weight and height during the next two years and you can take my word for it that if he can put on about six inches in height and gain about 30 lbs. he will be another Tus Ackerman but he thinks quicker than Tus.

If you would write John a letter as only you can write I assure you he would appreciate it. John Deichmann, 260 So. Lasky Drive, Beverly Hills California.

With my best personal regards and every good wish I am,

Sincerely,

*Fred*

# Deichmann leads bees to hoop win over Cards

## Normans down stubborn Whittier five 33-26

Finally reaching their scoring potentialities, the Norman lightweight basketball team vanquished a stubborn Whittier five, 33-26, on the local hardwood last Tuesday.

Leading the bee bucket brigade was John Deichmann, speedy, diminutive forward, who dropped 14 points through the hoop. Tall, lanky Chuck Gibbon, stellar center, looped in 12 digits. Beverly's scoring was completed by Rodney Sackett, with 4 points, Dick Jones, who sank a charity toss, and Dick O'Leary, who chalked up 2 markers.

### Card center nabs 9

Whittier's scoring was led by Agee, speedy center, with 9, and "Flash" Reyes, who rang the bell for 7 points. Don Douglas's Cardinals employed an offense unseen at Beverly before, but Coach Sax Elliot had prepared the team for it.

Right after the opening whistle, Chuck Gibbon and John Deichmann gave Beverly a 4-point lead. Whittier came back to tie up the score at the end of the first quarter, and half-time found the Normans holding a slight edge.

Dear Bill:

I am sorry I didn't get to see you yesterday when you stopped by the house. I did get your marked copy of the Kansas City Star in which Bud French of Central and Ken Bounds of Northeast were depicted in the all-star group.

I had previously noticed the pictures and remembered definitely the kindness that you had shown in interesting the boys in K.U. I am writing both boys congratulating them on this exceptional honor of being selected to this coveted position. If you can follow this up in any way in interesting the boys in the University I would greatly appreciate it.

Thanking you again for remembering us, I am

Sincerely yours,

Mr. Ken Bounds,  
Northeast High School,  
Kansas City, Mo.

Dear Ken:

Congratulations to you on the exceptional honor that has come to you in being selected as one of the members of the Interscholastic League All-Stars in basketball. I know you are happy about receiving this signal honor.

I am very sure that you realize that while athletics carry a tremendous appeal, the durable and most lasting benefit comes from your academic achievements. No boy would spend as much energy as you have in winning this honor without having a very fine mental equipment. It takes both to be a real leader and I congratulate you on having both of those ingredients.

I enjoyed meeting you when you came down to visit the University and I trust that you will come again this spring. You have a champion in Bill Butler, and I might add that he doesn't pick dead horses. He is always for the live wires, the boys who have personality, intelligence and good physiques.

With all good wishes, I am

Sincerely yours,

Director of Physical Education and Recreation,  
Varsity Basketball and Baseball Coach.

ball machinery we've seen in many a day. We're referring to Walter Quiring, forward on the high school basketball team. He's a shot maker all right, still ranking high among the Valley's scorers. To make shots, you've got to get the ball and that's where Quiring really excels. He has speed, deception, a good dribble, basketball hands, and as indicated by the quoted statement, a great team temperament. We're putting Quiring on the spot, maybe—but we've got to tip you to watch him. Barring the uncertainties of these perilous, he's destined for collegiate stardom.

Dear Sir:

Enclosed find a clipping which appeared in the sport column of our local paper concerning a young man who is a very good friend of mine.

In my opinion and limited knowledge of what it takes to make a good basketball player, I would guess this boy has all the qualifications. He is a good scraper, a good sport, and a good student. His dad is a former K.U. man without athletic experience; so I am quite sure this boy will be interested in the University of Kansas, very likely as a medical student.

I hope you have the pleasure of meeting this young fellow because I am sure you will be impressed by his make-up. I think he is the type of fellow any coach would be proud to have a member of his team.

I wish you luck in your tournament in Kansas City, and that you come on through and sink the Navy in your next game with them.

Yours very truly,

*Willis N. Kelly*
