Mr. Phog Allen
University of Kansas
Lawrence, Kansas

Dear Sir:

Enclosed find a clipping which appeared in the sport column of our local paper concerning a young man who is a very good friend of mine.

In my opinion and limited knowledge of what it takes to make a good basketball player, I would guess this boy has all the qualifications. He is a good scraper, a good sport, and a good student. His dad is a former K.U. man without athletic experience; so I am quite sure this boy will be interested in the University of Kansas, very likely as a medical student.

I hope you have the pleasure of meeting this young fellow because I am sure you will be impressed by his make-up. I think he is the type of fellow any coach would be proud to have a member of his team.

I wish you luck in your tournament in Kansas City, and that you come on through and sink the Navy in your next game with them.

Yours very truly,

Willis N. Kelly
