

April 10, 1942.

Mr. Roy Edwards,
Mr. Clint Kanaga,
1621 Edgemoor Road,
Lawrence, Kansas.

Dear Roy and Clint:

It has been our custom during the past few years to invite outstanding high school seniors who are proficient in basketball to come to the University on the morning of the Kansas Relays, about 10 o'clock, and work out with our varsity and freshman basketball players in the gymnasium.

I would appreciate it if you would appoint a group outside of our basketball squad to greet our visitors and help each one of them have a good time. The whole purpose of this "mixer" is for the boys to come and shoot a few baskets with our varsity players, then take a shower, and be ready for an early start to the Relays in the afternoon.

Some of our boys who are in school now have said that this little courtesy had as much to do with their determination to enter the University of Kansas as any one thing.

If you will give me the names of your committee to assist us as hosts, I will be glad to give them a list of the boys who have accepted our invitation.

I shall greatly appreciate your cooperation.

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.

Dr. Phog Allen
University of Kansas
Lawrence, Kansas

Dear Dr. Allen:

I received your letter concerning me coming to K. U. this Spring to the relays and to practice in the gymnasium.

I know it would be an honor to meet your varsity team and I appreciate the opportunity greatly. I regret to say that our High School tennis team is going to play in the Ark Valley and the State about that time. Our coach thinks we have a good chance, so I would hate to let him down.

Thanking you again for your interest in me, I am

Sincerely yours,

Jack Mitchell

Bob Kurland, Jennings Basketeer, Stands Out and Up on Hardwood

**6-Foot 11½-Inch Star
Scored 177 Points;
Meet Opens Tomorrow**

Bob Kurland, lanky Jennings basketball center, in addition to leading the district high individual scoring race, might also claim another honor—one that could easily go unchallenged by a prep anywhere in the United States—that of being the tallest cager of the season.

Bob, cocaptain and senior on Coach Walter L. Rulon's quintet, and son of Mr. and Mrs. Albert Kurland of 8837 Blewett avenue, stands 6 feet 11½ inches high in his stocking feet. If there are any other high school players who can beat this, neither the coach nor Kurland has heard of them.

The nearest approach here to Kurland's height are Paul Scoville of Ferguson, who is 6 feet, 7 inches and "Red" Morrow of Roosevelt, who stands 6 feet, 6 inches.

Kurland is 17 years old and weighs 210. He will graduate in June, but has not as yet decided what university he will attend.

The tall center is pacing the County League, having accumulated 130 points in six games for an average of 21.7 points per game. This includes only league contests as compiled by the Globe-Democrat. His sharpshooting has been consistent throughout the season as he has jammed in 177 points in eight games for an all-season average of 19.9 points per game.

The high mark of the season was registered against Hancock Friday night, in a league engagement in which he poured in 33 points. His lowest mark was against Mehlville on December 12, also in a league contest, in which he accounted for 11 points.

Bob has sparked his team in the hot race in the County League and is mainly responsible for its five consecutive victories. Jennings lost its first game last week, a non-league affair with Ferguson, but the lanky ace scored 15 points as his team was defeated, 32 to 28.

Kurland will be seen in action in the league's annual tournament which will start tomorrow night and wind up Friday night at Ferguson Senior High School. Jennings is defending champion, having dethroned Eureka, twice holder of the title, last year.

Bob Kurland and his coach, Robert L. Rulon.

Three first-round games are on tomorrow night's schedule, in which Valley Park will oppose Affton in the opener at 7 o'clock. Eureka will engage Riverview Gardens at 8 and Hancock will mix with Brentwood at 9. Jennings, Fairview, Bayless, Ferguson and Mehlville drew first-round byes and will not see action until Tuesday night in quarterfinal round tilts. The semifinals will be staged Wednesday night and the final Friday night with the gymnasium being dark Thursday night.

Mr. Johnny Dewell
Newton, Kansas

Dear Johnny:

It has been our custom in the past few years to invite outstanding seniors who are proficient in basketball to come to the University on the morning of our Relays, April 18, about 10:00 o'clock, and work out with our varsity and freshmen basketball players in Robinson Gymnasium. It is not necessary that you bring any athletic equipment. We will check out equipment to you and you will have a lot of fun shooting goals and playing informally from 10:00 to 11:30.

Our varsity basketball players will be dressed and will put on a few drills, but nothing elaborate. You merely check out equipment and go with the boys on the floor and have a lot of fun shooting baskets then take a shower, and you are ready for an early start for the outstanding Kansas Relays.

We will have a ticket ready for you for the Kansas Relays in the afternoon. Our purpose in having you here is to give you an opportunity to meet our varsity players.

I trust that it will be possible for you to come. Please let me hear from you at your convenience.

If there is anything that I can do in the way of giving you information or rendering you any service that you should need, it will be a pleasure to have you call on me.

With all good wishes, I am,

Sincerely yours,

Director of Physical Education and Recreation

Committee for meeting & assisting
high school senior basket ball
players, Saturday April 18 -

April 13, 1942.

To Varsity and Freshman Basketball Men:

I am enclosing a copy of a letter that I have recently sent to outstanding high school seniors, inviting them to come to the gymnasium on the morning of the Kansas Relays, April 18, to shoot a few goals and work out with the varsity players. Each of you will be considered a committee of one to greet these boys and help each one of them have a good time.

I would appreciate it if you will keep Saturday morning free for these high school boys. Plan to get here about 9:30 and be dressed in your varsity uniforms by the time the boys arrive. Some of our boys have said that this little courtesy had as much to do with their determination to enter the University of Kansas as any one thing. I want you to know how important it is to our visitors. This "mixer" is something that they will cherish for a long time. The whole purpose of the affair is for the boys to come and shoot some baskets, take a shower, and then get a ticket for the Kansas Relays in the afternoon.

Please stop by my office early this week and let me know that I may count on each one of you.

Sincerely yours,

I also hear some very fine things con-
cerning your academic achievements. We are very
proud of you as one of our Kansas boys, and I hope
that when you are ready to enter college you will
choose the University of Kansas as your alma mater.

If you find it possible to come to

KANSAS CITY STAR, FRIDAY, FEBRUARY 13, 1942.

INDIANS WILL BE AFTER HIS SCALP TOMORROW.

—Kansas City Star Photograph.

Ken Bounds, accurate eye on the Northeast high school basketball scoring corps, will be out to cover himself and fellow Vikings with glory tomorrow afternoon, when the Southwest Indians will be opposed in their Interscholastic league clash at the Municipal Auditorium. A victory almost would clinch the 1942 campaign crown for the Vikings and Coach Reaves Peters. Although not setting the league pace at the moment, Bounds is considered a dangerous man around the basket, and Coach Mel Bishop of Southwest is expected to assign plenty of opposition for him.
