Dear "Doc":

Last week-end I was in Herington checking on the boys I had my last year there. They were all sophomores that year. We played for the League Championship in our final game, but lost by two points. Since then they have had two different coaches and naturally it has made it pretty tough on them, but they have always had a better than average team.

They are all seniors now and four of them are making plans to go to College, and will probably choose between K. U. and Manhattan. Two of them are about 6'2" tall, the other two are a little over 6'.

"Doc" if you would care to invite them up for the work-out Saturday morning, April 19th. I am sure they would appreciate the opportunity. I will arrange their stay at the A. T. O. house all right. Their names are: Hugh Haire, Bob Otis, Kenneth Vaughn, and Kenneth Grass. Any of these boys can be reached by addressing them at Herington, Kansas.

Sincerely yours,

Ernest J. Vanek
