Long before this, you know that I just sat down to the typewriter and pecked out my thoughts to you but the more I thought about your boy, the more I wanted to tell you my thoughts in the matter. I do hope that I may have the priveledge of seeing him play at Lawrence wearing the KU colors.

Surely was glad to hear that the high water in Wabaunsee County did no more damage to 13.1 bridge than it did. Watch that Arkansas River out there for it comes up in a hurry sometimes.

As soon as this round of lettings is over, I'll be out your way as I want to get into Dodge City too.

Hope you do not think that I am presuming in pouring off over a matter that I should keep out of but about all we have left is our boys and from the looks of things, we wont have them any too long.

Sincerely,

E. W. Geiger
