

Guy Mitchell, Hutchinson

May 10th, 1941

Mr. Kenneth Vaughn
Herrington, Kansas

Dear Kenneth:

We were so happy to have had you with us at our Third Annual Basketball "get-to-gether" at Robinson Gymnasium on the morning of our Kansas Relays. The boys on the Varsity and Freshman teams have often spoken about the great time they had when you were here.

I am sure that every young man who has an opportunity to go to college will be thinking seriously of doing so, and since you are too young for the draft you must be making plans to attend some college.

We would be happy to have you with us here at the University next fall. Let me know if there's any information you desire and I shall be happy to comply.

Trusting to hear from you, I am,

Sincerely yours,

Director of Physical Education and
Recreation - Varsity Basketball
and Baseball Coach.
