Lawrence, Kansas

Dear Dr. Allen:

Somewhat belatedly I wish to thank you for my job in the Intramural Office the past year. I certainly appreciated it and tried to give value received.

At present I am employed in a local bank and if it doesn't prove permanent, I may have a chance to go with Skelly in the Accounting department.

No matter where I go or what my occupation may be the University and the fine men associated with you in Robinson Gym will always be upermost in my thoughts.

I will be a staunch booster of K. U. and hope that you will feel free to call upon me. I assure you I will be an "alum" you can count upon.

I am working on all the likely prospects around here this summer. It looks very much as if Warren Reigel (football) will enroll in the fall. That should make Vic Hurt very happy, because he is a fine boy as well as a top-notch athlete. Also Harold McSpadden should be up there next year providing "Frosty" Cox doesn't make too lucrative an offer.

In conclusion, thank you again, not only for the job, but also for the privilege and benefits I have gained from associating with you.

Very Sincerely Yours,

*Harold E. Long*
