Dear Vic:

Dr. and Mrs. Don Carbs Peete spoke to me about Bill Erickson and a young fellow by the name of Jones from Leavenworth. They asked that I speak to you about these boys because someone at Leavenworth said they were "big stuff."

Will you please let me know what you think of these fellows so that I can pass the message back to Dr. and Mrs. Peete. They are interested because some friend of theirs is vitally interested in these two boys.

Sincerely yours,

Director of Physical Education and Recreation
