

February 22, 1943.

Mr. Gwinn Henry,
Director of Athletics,
University of Kansas.

Dear Gwinn:

Anticipating that there may not be another meeting of the Athletic Board soon after basketball season, and desiring to get the names of the boys before the Athletic Board for recommendation of varsity basketball letters, I am making the recommendation in advance. Doubtless the board may not desire to make public their action until after basketball season.

I wish to recommend for varsity letters this year:

2 John Buescher
1 Ray Evans
3 Charles Black
4 Otto Schnellbacher
✓ Armand Dixon
6 Harold McSpadden
7 Jack Ballard,
Paul Turner
8 Hoyt Baker
Bill Brill
9 Max Kissell
10 Robert Fitzpatrick
Don Blair
George Dick
William Forsyth
John Short

John Short has been called to the Air Corps and so has Charlie Black, but Charlie has been deferred on account of illness. It is my understanding that all of the boys in the Army Reserve Corps, and that takes the majority of them, together with Charlie Black, will be called on or before March 6th.

On account of the very excellent record and fine morale of this splendid group of boys I am recommending this large number for the exceptional athletic service that they have rendered in basketball.

Very cordially yours,

FCA:AH

Varsity Basketball Coach.
