Mr. Kenny Johnson
Topeka High School
Topeka, Kansas

Dear Kenny:

Dr. Kirkpatrick has certainly told me fine things about you and I know that you would have a very close and sincere adviser in him. And too, there are so many Topeka people in the University and while you do not have an opportunity to visit with all of them, nevertheless, the old home town boys are the ones that count.

Dick Pierce is playing a rattling good catcher's assignment on this year's varsity team, but we are admittedly weak this year due to the fact that baseball has not been too highly encouraged for the last year or two. We are, however, back on an up-build and next year's freshmen will greatly bolster our baseball strength. That is why I am making a definite effort to get some baseball players at K.U. for next year.

With all good wishes, I am,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach.
