Mr. Walter Quising  
Hutchinson, Kansas

Dear Walt:

We certainly enjoyed having you with us at our annual basketball "get-to-gether" on the morning of our Kansas Relays. I trust you enjoyed the Relays in the afternoon.

We would be happy to have you here at the University next fall, Walt, and since you're too young to be effected by the draft, you'll surely be making plans to attend college.

Let me know if there's any information you desire concerning your college course, and I shall be happy to comply.

Trusting to hear from you, I am,

Sincerely yours,

Director of Physical Education and  
Recreation-Varsity Basketball and  
Baseball Coach.
