Dr. F. C. Allen
University of Kansas
Lawrence, Kansas

Dear Mr. Allen:

Thank you for the invitation and opportunity of
meeting you and the variety the morning of April 19.
I plan to take part in the Relay on Friday and I
will be at the gym at 10:00 Saturday morning as you
suggest.

I would like to have some information from the
U.S. Such as how much the tuition, how much it would
take for board and room for a year and such things
as that. I am applying for a scholarship from the
company for which my father works. Max White has
remarked something about it to you I believe.
Perhaps I can talk to you some time at your conven-
ience and get the information I desire. I know I
would like to go to K.U. if it is possible because
it has always been at least part of my goal.

Sincerely yours

Donaldson
