Mr. Herbert Borgman
Athol, Kansas.

Dear Herbert:

It has been our custom in the past few years to invite outstanding seniors who are proficient in basketball to come to the University on the morning of our relays, April 19th about 10 o'clock and work out with our varsity and freshman basketball players in Robinson gymnasium. It is not necessary that you bring any equipment. We will check out equipment to you and you will have a lot of fun shooting goals and playing informally from 10 until 11:30. Our varsity basketball players will be dressed and will put on a few drills but nothing elaborate. You merely check out equipment and go with the boys on the floor and have a lot of fun shooting baskets. Then take a shower and you are ready for an early start to attend the outstanding Kansas Relays.

We will have a ticket ready for you for the Relays in the afternoon. Our purpose in having you here is to give you an opportunity to meet our varsity and freshman players.

I trust that it will be possible for you to come. Please let me hear from you at your convenience.

If there is anything I can do for you in the way of giving information or rendering you any service, it will be a pleasure to have you call on me.

With all good wishes,

Sincerely yours,

Director of Physical Education and
Recreation
Varsity Basketball and Baseball Coach

Dear Bill:

Your letter of March 31 has been received. I am happy to know that you will be present the morning of April 19 to work out with our Varsity and Freshmen Basketball Players.

When we say we will check out equipment to you, that includes everying, shoes also. However, if for any reason you feel your shoes will fit you better or if you would rather wear your own, it will be perfectly all right for you to bring them along.

We will be looking forward to seeing you here the morning of April 19.

With all good wishes, I am,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach

March 31-41

Dear Dr. Allen:

Your invitation was received with great pleasure. I assure you I will be more than glad to come. I realize as does most everyone else that Kansas University year after year has one of the outstanding teams in the nation, and it gives me a great deal of pleasure to be connected with it in anyway.

There is one question I would like to ask, do we have to bring our shoes? Here at high school they say they furnish our equipment and this doesn't include our shoes, is this the way it is at the University?

You don't have to bother writing, if you will just tell Don Pierce at baseball practice someday this week, and it will just be fine, as I will see him this Saturday.

Sincerely yours

Bill Palmer

It will be a pleasure to see you.
