Dear Mr. Allen:

I am very happy to have the opportunity of coming to Lawrence April 19th, the day of the Relays, and also in getting a chance to shoot a few shots with your Varsity and Freshmen squads.

It so happens that I had already been invited up by the Sigma Chi's to spend that weekend. Two or three of the Sigma Chi's are on your Freshmen squad and I am sure, if they live up to the wonderful hospitality they have shown me on my previous visits with them, they will make it possible for me to accept your invitation.

I suppose you saw Washington State's exhibition of sharp shooting last Saturday night in Kansas City. If they do that well this Saturday they will make it pretty tough on the Badgers from Wisconsin.

I don't know whether you remember our meeting following the Oklahoma game or not, but I was very much impressed in talking with you and will be looking forward with great interest to the morning of the Relays.

Yours very truly,

*Ransom Bennett, Jr.*
