Mr. Paul Baker
Peabody, Kansas

Dear Mr. Baker:

It is a pleasure to communicate with you regarding your two sons, Heath and Hoyt. I had a nice visit with Heath yesterday morning for about half an hour, and it was a real pleasure to talk to such an intelligent and progressive young man.

Of course, we are interested also in having Hoyt with us, and I am very sure that with Heath's presence here and with the assistance we can give Hoyt in the way of work, you will make no mistake in having the two boys together at your own University of Kansas.

You help pay taxes on their education, so why not avail yourself of this opportunity? Dr. Jessen talked to me over the phone yesterday morning, and he is planning to bring you and Mrs. Baker and the rest of the family to Lawrence for the Oklahoma game on March 7. It will indeed be a pleasure to see you and we will have tickets ready for you and your group.

Anticipating the pleasure of seeing you again,
I am,

Sincerely yours,
