Mr. Hoyt Baker  
Peabody, Kansas

Dear Hoyt:

I received a letter from Dr. Jessen last night during our game with Oklahoma A. & M. It came special delivery, and in it was enclosed a regional tournament bracket, so I am following your schedule closely.

I would like to be down at Newton tonight to see you play Augusta at 10:00 o'clock. Good luck to you in every way! I am counting on your going through and playing the winner in the top bracket Friday night at 10:00 o'clock. I am going to make a definite effort to be there and see you play on Friday. I am sorry I can not make it tonight.

I want you to know that it was a pleasure to have you with us, and we want to extend an invitation for the morning of the Relays. We would like to have you come to Lawrence and work out with our Varsity basketball players on April 19th, so you count on being with us, won't you?

I am glad that you like Vance Hall and the rest of the boys. We think they are a great outfit. But we will talk high school basketball now, and we are hoping you are victorious, and I am further hoping that I will be able to see you Friday. Until then, good luck, and kindest regards to you and your good family. I enjoyed meeting your splendid Grandfather and your Mother and Dad again.

I think Dr. Jessen is a prince of a fellow and you have a great friend and booster in him. I am writing him today.

With all good wishes, I am,

Sincerely yours,
