Mr. E. C. Quigley
Director of Athletics
University of Kansas
Lawrence, Kansas

Dear Ernie:

I am enclosing a couple of letters from Henry B. Stuart, Kansas City, Missouri, for your casual inspection. When you have finished reading them please send them back for our file.

This is only a sample of what I get for football days in which games are played in Lawrence. They always plan to come when the football games are on. I have three of these for today. Not only the boys but old men come.

When I spoke in Salina last week a father of one of the boys is coming down today for me to look at a bad knee. The Salina coach told the father of this boy that I should look at him with the view of fixing him up.

Of course, I never charge for this service but it is one of the things that very few people know about. However, I am very sure that you do.

Sincerely,

Director of Physical Education,
Varsity Basketball Coach
