Dr. W. C. Jessen
Peabody, Kansas

Dear Dr. Jessen:

May I take this means of expressing to you and Mrs. Jessen my sincere appreciation for the splendid hospitality shown me upon my visit in your home last Friday evening.

It is a great pleasure to me to meet such splendid people and I assure you I enjoyed every minute of it.

I was sorry that Hoyt lost his ball game and I felt extremely sympathetic and sorry for his family who had built up such high hopes on winning. Since all of us have encountered similar disappointments, I could understand thoroughly that a fellow who plays often is bound to get whipped occasionally, and if it is only an occasional whipping then we are far ahead of the game.

I trust that you good people will come to see us and it will be our pleasure to reciprocate your many kindnesses and courtesies.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach
