

Galva Wins Walton Tournament Third Time Straight

The Galva Town Team under the management of Sylvan Walline and playing under the banner of the Warren Petroleum Co. won first place in the Walton Town team tournament Saturday night. This makes three times in a row that Galva has brought home the first place trophy from the Walton town tournament.

In the first round Wednesday night Galva defeated Lehigh 63 to 39; Thursday night they beat Moundridge 54 to 46; Friday night they defeated Hillsboro 46 to 34 in the semi finals and Saturday night they won the beautiful first place trophy by defeating Peabody 53 to 52 in a game that was a real thriller.

The Peabody team was the dark horse of the tournament. A last minute pick up bunch built around the flashy high school senior, Hoyt Baker who made 27 of Peabody's 52 points while Earl Roth was guarding him most of the game. When they score many points on Roth they have to be good. It seemed to us that this boy Baker had a part in every play during the game. He comes nearer being everywhere at once than any player we have ever seen.

The college that gets this boy will be doing allright.

Hillsboro beat Tampa 50 to 46 win third in the tournament.
