

because of the R.O.T.C.

I learned all of this from his brother Albert. Albert is in favor of K. U. and so is Otto, if he hasn't changed his mind.

Would you like to know how Schellie went to Colorado? He was taken there by a K. U. Grad. He is a lawyer from Ashland by the name of Jensen. He came with Ad Lindsey to see me 4 years ago. Now he is working for Frosty Cox, I guess - Besides Schellie he took a couple of boys from Central Kansas.

When Otto gets back from Colorado Saturday, I'm going to bring him up if I can. Probably about the 8th. I'm going to get him up here if I can -

Sincerely Yours
Ed. Wall
